Re: Obstruction of filing a Civil  
Rights claim pursuant to 42  
U.S.C. § 1983.

**CIV - HUCK**

**MAGISTRATE JUDGE  
SURRENTINO**

Dear Honorable Clerk;

January 10, 2001

This letter is to inform the Court that I have been trying to pursue a Civil Action in relation to an assault that occurred to me by the U.S. Marshal's Office on June 28, 2000, while inside the United States District Courthouse in Fort Lauderdale, Florida.

I was transferred from a holdover facility in Atlanta, Georgia to Federal Detention Center in Tallahassee, Florida. And, upon my arrival there I was informed that all my legal documents that I had with me had become missing. I confronted the Jail Administrator, Mr. Stiles, as well as Mr. Williams and also Mr. Kokle about this matter and they just replied that they would see if they could locate this material.

I believe this was a deliberate act, in that I have very substantial evidence that would clearly not only prove the assault, but that the assault was in fact premeditated as well. There is sworn statements to the comments made prior to assault, that were overheard by individuals, that were then provided to counsel in the form of sworn statements.

I am now in the Federal Correctional Institution in Miami, Florida, and fully intend to proceed with the commencement of not only civil action against said individuals, but the filing of criminal charges through the local law enforcement office of the Fort Lauderdale Police Department. I have also typed up a Motion, Affidavit in Support, List of Scheduled item(s) that were illegally seized from my residence on June 22, 2000, and a Certificate of Service for the same. Rule 41(e) F.R.Crim. P.

As stated by the Motion(s), I will move to have the jurisdiction of this matter moved to this Honorable Court in light of issues that occurred in the District Court in Fort Lauderdale, Florida. I ask that this Honorable Court please provide me with the necessary forms so that I may proceed as I have intended. Please send documents to the following:
